

The County Observer

Roanoke County Police Department Community Policing Newsletter

The New Face of Community Policing

I wanted to take the opportunity to introduce myself, being this my first addition of the County Observer. I am Officer J. Eric Orange and I have been passed the Community Policing torch from Officer Rick Crosier. I officially became the Community Policing Coordinator for Roanoke County in November. Since moving into this new position I have had the honor of speaking with and meeting several members of the community and look forward to meeting many more. To give everyone a little background. I grew up here in the Roanoke Valley, where I attended Patrick Henry High school. After highschool I joined the U.S. Army Reserves and attended Virginia Western. At age 21 I went to work for the Roanoke City Sheriff's Dept. Where I spent 4 years. I decided it was time for a change and in 2005 came to be a Police Officer in the County of Roanoke. Since being employed with Roanoke County I have worked Patrol, Animal control, and now Community Policing. It has been a honor to live, serve, and start a family in this community. I look forward to the opportunity of continuing the quality work which this position and department have put out for many years.

All of the previous reported burglaries are under investigation. If you have any information about any of them, please call the criminal investigation divisions at. 777-8641

Crime Prevention Tips

Remember to always lock all doors and windows and leave a light on from dusk to dawn at all entrances and exits. Use wide angle viewers (peepholes) in solid wood or metal insulated doors. Whether you have a business or a residence, lights, locks and good habits are your first line of defense.

The 2008 Session A Citizen Police Academy.

Anyone wishing to attend or wanting more information please contact Officer J. E. Orange by February 15, 2008.
